Serving over 14 billion ads annually, Monumetric hired DEV.co to develop its comprehensive affiliate management portal, bringing together online advertisers and publishers. Monumetric's full-service affiliate platform uses programmatic advertising for maximizing publisher monetization opportunities for users worldwide.

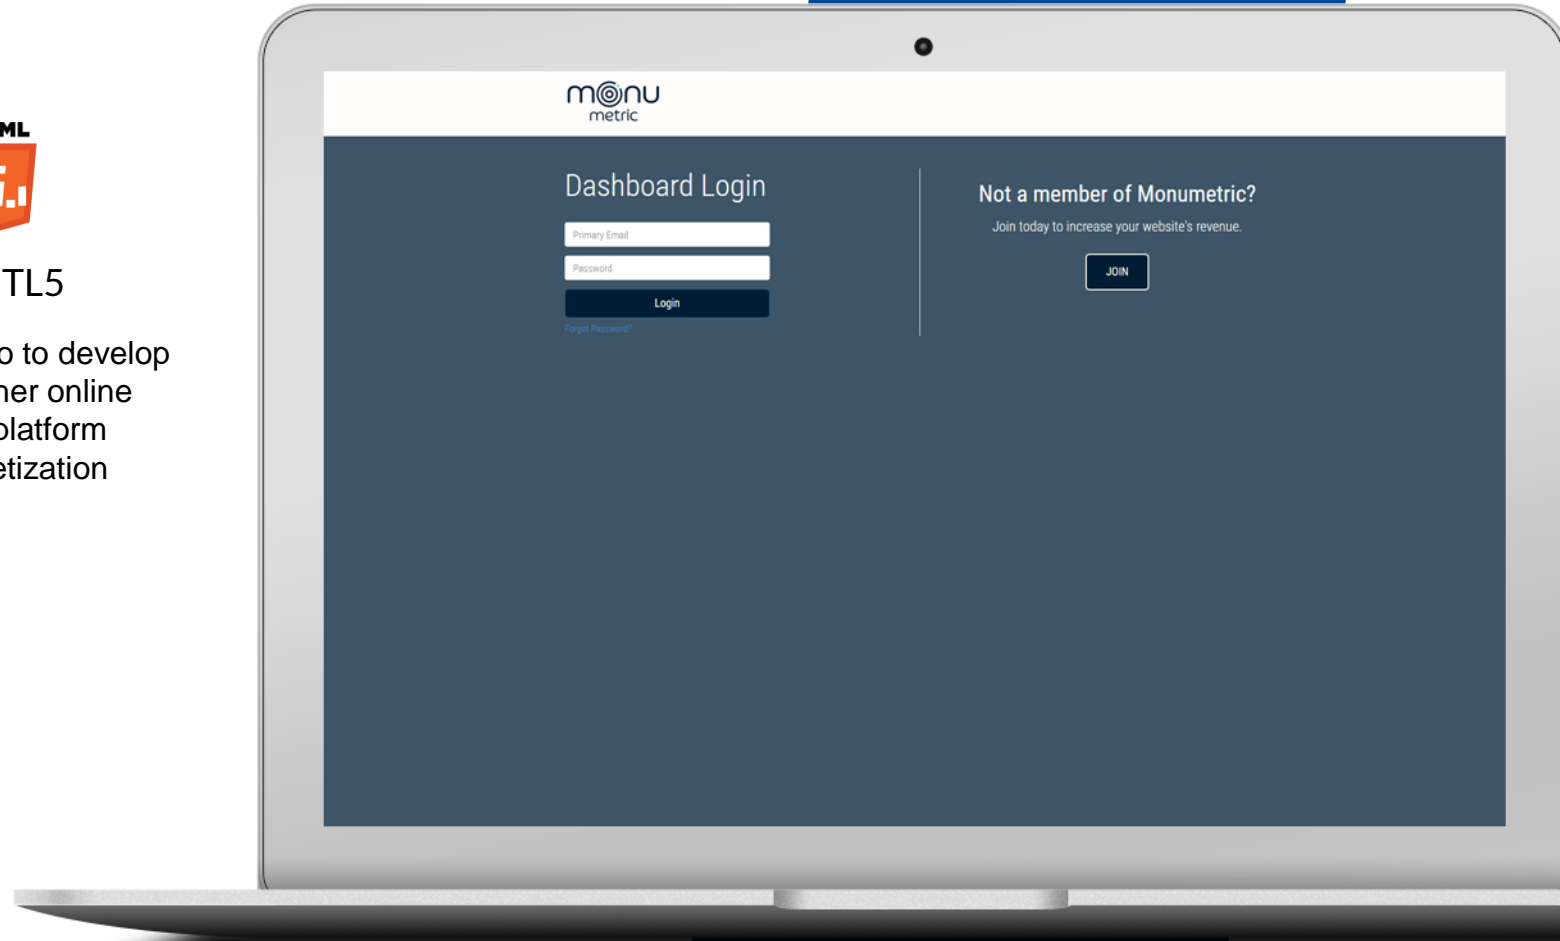

“

DEV.co has been a powerful development partner for the past 5 years. They have an entrepreneurial spirit that is rare to find. They have been with us since the beginning. If it wasn't for their ability to be flexible and build creative solutions, we would not have been able to get off the ground. They are reliable, talented, and honest people with whom I am proud to do business with.
